

**REMARKS**

Claims 1-21 are allowed in the application, with claims 1, 12, 19 and 20 being independent.

Applicants thank the Examiner for the allowance of claims 1-21. However, in the Notice of Allowability, the Examiner indicates that:

“FIG. 1-6 includes many handwriting symbols and drawing that look informal, therefore, need to be updated with formal ones.”

Applicants respectfully disagree. As shown below, it appears the Examiner is referring to the drawings that were filed on March 10, 2004. However, formal drawings were filed on June 10, 2004.

**Conclusion**

It is respectfully submitted that the Office Action's objections have been overcome, and the application is in condition for issuance. Reconsideration and issuance are, therefore, respectfully solicited.

If, however, the Examiner still believes that there are unresolved issues, the Examiner is invited to call Eamon Wall or Emmanuel Coffy at (732) 542-2110 so that arrangements may be made to discuss and resolve any such issues.

Respectfully submitted,
